

## English Toffee Order Form

Toffee Lady specializes in old-fashioned English Toffee, like your grandmother used to make. We use quality ingredients and no preservatives when making our handmade English Toffee.

Our English Toffee makes a great holiday gift, birthday or anniversary present, referral gift, thank you at the close of a contract or sale, welcome for a new client, thank you for a long term client, or a gift for a promotion or contest. We make our candy throughout the year, so don't forget English Toffee is everyone's favorite candy.
